

CREW HOUSTON

A chapter of CREW NETWORK[®]

CREW Houston wants to make your students aware of an exciting scholarship opportunity that can both help a woman complete her degree and improve her career opportunities in commercial real estate after graduation. The amount of the scholarship is not less than \$5,000.00 and is to be used to cover costs of tuition and books. Each scholarship recipient will also be provided with:

- Paid internship at CBRE, a commercial brokerage firm
- Free CREW Network student membership
- Complimentary registration to the 2014 CREW convention in Miami Beach, Florida

Last year, there were ten scholarship recipients.

“CREW” is an acronym for “Commercial Real Estate Women.” CREW Network is the national organization of which CREW Houston is a chapter. CREW is dedicated to influencing the success of the commercial real estate industry by advancing the achievements of women, and this scholarship is intended to help women fulfill their ambition to begin a career in commercial real estate.

Through this program, CREW Network and CREW Foundation will once again award scholarships to women enrolled full-time in their junior or senior undergraduate year or as a graduate student of an accredited real estate program at the university level or, in the alternative, a university that does not have an accredited real estate program, but where the applicant is enrolled in law, business, finance, architecture, engineering, or other related field of study where it is the applicant’s intent to pursue a career in commercial real estate.

The deadline for scholarship applications will be 5:00 pm CT, Friday, April 25, 2014. Here is the URL and links to the scholarship application:
