NOTE: Certification of veteran education benefits WILL NOT be processed until ALL Official transcripts have been received and the official evaluation has been completed by the Office of the Registrar (if applicable). A veteran will not be certified for courses not listed on their degree plan. Please refer to all evaluations and your proposed degree plan prior to selecting courses each term. Veteran regulations require that a student receiving veteran benefits select a degree objective and make satisfactory academic progress toward completion of that objective. **All Drops, Withdrawals, and "I" grades must be submitted to the Office of Veterans Services within 15 days of change in status.**

A veteran WILL NOT be certified for repeated courses unless the first attempt resulted in a failing grade or a withdrawal. All course substitutions must be submitted in writing and APPROVED. You must complete form VAF 22-1995 (Chapter 30 and 1607) or form VAF 22-5495 (Chapter 35) if you change degree plans

By signing below, I acknowledge that I have received and understand the procedures necessary to receive Veteran Education Benefits at Texas Southern University. I also further understand that failure to adhere to all of the above requirements may result in delayed certification and/or may cause an overpayment situation, which will cause a financial debt.
